To Whom It May Concern,

Letter of Endorsement - EPM School Project Capability

I am pleased to provide this letter on behalf of Northern Beaches Christian School (NBCS) and the Sydney Centre for Innovation in Learning (SCIL), endorsing the capability of EPM in the Project Management of school development and building projects.

NBCS and SCIL have a long association with EPM that stretches back over ten years. EPM has vigorously represented the interests of NBCS and SCIL and has been highly effective in unlocking the development potential of our school property. EPM has delivered projects in a manner that has given us confidence at every stage.

EPM has managed three major redevelopment projects with a combined value exceeding \$25.0 million. They are currently managing two further projects with value in the order of \$13.0 million. The service by EPM is comprehensive, spanning the full spectrum of the project and property development process. I have found EPM to be professional, relational and experienced.

I have no hesitation in endorsing EPM and would be very happy to be contacted to discuss this further.

Yours sincerely,

A handwritten signature in black ink that reads 'S. Harris'.

Stephen Harris

Principal, Northern Beaches Christian School
Founder & Director, Sydney Centre for Innovation in Learning
