To whom it may concern

EPM were appointed Project Managers for the construction of the \$20 million Gate Way Project which consists of 12 classrooms, Junior Science block, Auditorium, a three level administration block, plus extensive landscaping.

The scope of this project has been extensive and not easy having to overcome high voltage issue delays due to rain and heat. EPM have been very professional in overcoming these issues together with keeping the project meeting various deadlines.

Their involvement has been Invaluable. The EPM team led by Stephen Welsh have performed extremely well and have exceeded our expectations.

PLC has no problem with recommending EPM as Project Managers.

If you require additional details I may be contacted on 02 0437 609 118.

Yours faithfully
